NOTICE TO PAY BALANCE OF ISSUE FEE

The issue fee payment filed on 10/30/08 has been received. Although the fee paid in the Notice of Allowance was paid, new patent fees went into effect on October 2, 2008 after the mailing date of the Notice. In accordance with Sections 801 and 803 of the Consolidated Appropriations Act, 2005 (H.R. 4818) "the provisions of this title shall take effect on the date of enactment of this Act. . . the provisions of section 801 shall apply to all patents, whenever granted, and to all patent applications pending on or filed after the effective date." See also, Revision of Patent Fees for Fiscal Year 2009-Final Rule, 73 Fed. Reg. 47534 (Aug. 14, 2008) and Consolidated Security, Disaster Assistance and Continuing Appropriations Act, 2009 (H.R. 2638). Because the issue fee was paid on or after October 2, 2008, the new issue fee was due instead of the amount specified in the Notice of Allowance.¹

In accordance with 37 CFR 1.18, applicant is given a time period of **THREE (3) MONTHS** from the mailing date of this notice during which to pay the **BALANCE DUE** indicated below. The balance due is the difference between the issue fee required on the date that the correct issue fee is paid and the amount that was previously paid. This three-month time period may not be extended. If the balance due is not paid before the expiration of the three-month period, the application will become abandoned (if not issued) or the patent will lapse (if issued) at the termination of the three-month period.
